

THE DIVINE WORD MISSIONARIES AND YARRA THEOLOGICAL UNION - A MEMBER COLLEGE OF THE
UNIVERSITY OF DIVINITY (Acknowledging 50 Years of YTU Theological Education, Ministry & Service)

CORDIALLY INVITE YOU TO THE

SVD ANNUAL

MISSION DAY 2022

SATURDAY 8 OCTOBER 2022

*For a Missionary Church in a
Wounded World:*

Culturally Aware, Interreligious Solidarity, Faithfulness;

In a world wounded by the Covid-19 pandemic, Ukraine-Russia conflict, institutional sex abuse, broken systems, poverty, threats to the environment and rising indifference, the Spirit is calling in the night to walk together in solidarity towards healing and resurrection. The implications therefore for a missionary church are not for the faint-hearted. A prophetic call is now at hand to see the cracks and respond with renewed purpose attuned to an integral vision of humanity envisioned by God. It's now or never for prophets and healers to rise.
